Term Starts

This week we look forward to welcoming you into school for Pupil Progress meetings. The children have worked incredibly hard this term and we have some of the highest data we have ever had as a school! The children have earned a whole school values reward for filling another level in our school values jar and they have chosen to have ice lollies! We will be enjoying them later this week. This weeks newsletter is condensed after responding to feedback about the length of the newsletter– do let me know your thoughts.

Don't forget to keep adding your Tesco blue tokens to our Sensory Garden pot as it ends on the 31st March!

Our summer term dates will be published after the Easter break.

Wishing you a wonderful week and a lovely Easter break.

PUPIL PROGRESS MEETINGS

You should have received a message from your child's class teacher via the Seesaw App offering you a Pupil Progress meeting. You can book your meeting either in person or via telephone/Teams, as we appreciate for some parents/carers this works best around working hours/commitments.
