Our Approach

As a Trust we will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment that embraces respect or all. At InMAT, we believe that diversity is a strength and, as such, should be celebrated by all who learn and teach in InMAT schools.

Our Trust schools aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

Leadership, Management and Governance

The Local Academy Committee's in each school are committed to meeting their duties under the Equality Act 2010 and aims to follow the good practice set out within the statutory codes of practice and guidance which support the legislation. While the LAC has overall responsibility to ensure that equality is promoted throughout the organisation, it is the responsibility of all staff, including those helping on a voluntary basis, to promote equality.

The LAC recognises that all staff understand, their responsibilities guidance. The LAC recognises that than one of the grounds at the same cannot be achieved by treating all people alike. The LAC acknowledges that it has a key leadership role in promoting equality and community cohesion and recognises the need to work with school staff and partner organisations, including the local authority.

need to be aware of, and regarding equality legislation and discrimination may occur on more time and that equality of opportunity

Policy planning, implementation and review

The LAC will endeavour to ensure that all relevant policies reflect the school's commitment to the principles of equality and that this commitment is reflected clearly in all its work.

All staff are encouraged to contribute to the formulation, development and review of policy documents. The school ensures the involvement of governors and, where appropriate, takes steps to enable the contribution of pupils and their parents/carers and other relevant parties.

All policies, procedures and strategies are regularly monitored, reviewed and evaluated for their effectiveness in promoting equality. As further equality requirements come into force policies, procedures and strategies will be monitored, reviewed and evaluated for their effectiveness in fulfilling the requirements of new legislation.

Outcomes of monitoring and assessment will be reported to the LAC and other key partners. Members of the school community will be kept informed of Equality and Diversity initiatives being undertaken.

A link governor is assigned to monitor the school's Equality Objectives (see below) annually and reports to the board findings on progress made towards the objectives set.

Admissions, attendance, behaviour and exclusion

Admissions to InMAT schools are through the LA Admissions Team.

The Trust's procedures for managing behaviour are fair and applied equally to all. However, it is recognised that social/cultural background and other personal factors may affect behaviour. The Trust takes this into account when dealing with incidents of unacceptable behaviour. All staff operate consistent systems of rewards and sanctions. Where possible we seek to find alternatives to exclusions. For all exclusions there is a right to appeal in line with current legislation.

Exclusions and attendance are monitored and evaluated resulting in effective action taken in order to identify trends and therefore reduce gaps between different groups of pupils.

Absence is always followed up by appropriate personnel. Those involved in this work are aware of and sensitive to community issues. There are strategies to reintegrate long-term truants and excluded pupils, which address the needs of all pupils.

Students, staff and parents are aware of procedures for dealing with harassment. They know that any language or behaviour which is racist, sexist, homophobic or potentially damaging to any vulnerable group is always unacceptable.

Appropriate and reasonable provision is made for leave of absence for religious observance for both pupils and staff.

Recruitment

We promote inclusive staff body and ensure staff are trained in safer recruitment practices.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every academic year e.g. updates to current legislation in relation to equality, inclusivity, safeguarding and code of conduct.

Disability

The Disability Discrimination Act someone who has 'a physical or mental long-term adverse effect on his or her ability to carry out normal day-to-day activities'

2006 defines a disabled individual as impairment which has a substantial or

The Trust makes every reasonable adjustment to accommodate disability to ensure that everyone can access education. Changes, where necessary and reasonable, are made to ensure that access to provision is available.

Advancing equality of opportunity

At InMAT, we promote equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)
- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding assemblies dealing with relevant issues.
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging all pupils to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- Developing links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

Equality considerations in decision-making

InMAT ensures it has due regard to equality considerations whenever significant decisions are made.

Our schools always consider the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious
- Is accessible to pupils with
- Has equivalent facilities for

holidays
disabilities
boys and girls
