

Falconer's Hill Infant School

Attendance Policy

The staff and governors of Falconer's Hill Infant School recognise that good attendance and punctuality is essential in order that children reach their full potential at school. We are committed to a whole school approach to attendance and punctuality and providing an education of the highest quality for all our pupils. We endeavour to provide an environment where all pupils feel valued and welcome. Parents and pupils play a part in making our school so successful. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all. For our children to take full advantage of the educational opportunities it is vital that your child is at school, on time, every day the school is open.

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. In order to achieve these aims the school will:

- Ensure that children are stimulated, motivated and keen to come to school.
- Remind parents it is their responsibility to ensure children who are physically well are in school on a regular basis.
- Remind parents to inform the school promptly if their child is absent for any reason.
- Monitor absence closely and involve the Attendance Officer in encouraging parents to view attendance as important.
- Inform the Education, Inclusion & Partnership Team (EIPT) if there are extreme concerns.
- Inform parents termly concerning their child's attendance figures and report on annual attendance at the end of the school year.
- Encourage parents to ensure children arrive at school punctually and are picked up on time.

Expectations of the school

The school expects its parents/carers to:

- encourage their children to attend school every day, on time;
- ensure children are prepared adequately for the school day;
- contact the school on the first day of absence and to keep us informed daily if necessary;
- arrange holidays outside of school hours;
- arrange medical appointments outside of school hours, where possible;
- comply with the school policies and procedures;

Strategies to support good attendance and punctuality within school

- Ensure registers are accurate and recorded by the teacher at the beginning of morning and afternoon sessions electronically (or by paper where necessary).
- Registration data is checked by the administrative staff.
- Telephone messages and reasons for absence are recorded on the electronic data management system.
- Any concerns about an individual child are communicated to the Headteacher.
- Where particular concerns have been highlighted the teacher will notify the office immediately of an absence.
- Where attendance is less than 92% this will be regularly monitored. Emails will be sent out on a monthly basis to parents for them to be aware and able to monitor attendance.
- Below 85%, monthly attendance certificates will be sent home regularly and a meeting will be organised between the Parents/Carers and the Headteacher, Attendance Officer to discuss issues that the family may be experiencing. A Parent Contract will be put in place to monitor attendance over a fixed 4 week period. Parents/Carers may be asked to provide medical evidence if persistent absence is due to ad-hoc illnesses. If attendance improves to 90% then the Parent Contract can be terminated. If, however, attendance does not improve during the fixed period, then it can be extended, at the discretion of the Head teacher.
- If attendance does not improve following a Parent Contract, and/or Parents/Carers do not engage with the process, a referral may be made to the EIPT for irregular term-time attendance, if it fits the criteria. A fine may be issued
- The Attendance Officer/Family Support Workers will be asked to intervene and support families where persistent attendance is a concern.

Recording Attendance (Safeguarding procedures)

- On the first day of absence: a telephone call to the parents must be made, including if necessary, an SMS or a letter via email.
- Day two: a follow-up telephone call must be made to the parents, including an SMS and email.
- Day three: a telephone call must be made asking for contact to be made with the school immediately. The parents/carers will be given **2** further working days to make contact. If you are aware that English may not be the parents' first language, copy the letter into a language that may be more accessible.
- **If the child is still absent from school after 5 days:** Attendance officer and Parent Support Worker to arrange an unannounced home visit ensuring that risk assessments are in place.
- If the child has not been seen and the parents/carers have not made contact either, school must contact EIPT via the on-line form to alert them to the possibility that there is a child missing in education.
- EIPT will arrange a home visit to assess the situation and will be in contact with the school for further steps to be taken.

Lateness/Punctuality

- Parents will be reminded about school times and the importance of good punctuality. 'Late Gates' will be operated periodically to monitor and encourage punctuality.
- Parents will be asked to sign their child in using the electronic signing-in system in the foyer giving the reason for lateness.
- If there are more than five occasions of lateness a letter will be sent to parents reminding them of their responsibility to ensure children arrive on time.
- If lateness persists following a further five late occasions the parent will be asked to make an appointment to see the Head teacher or Attendance Officer. A Parenting Contract may be put in place and possible referral to the EIPT.

- At the end of the day children who have not been collected after ten minutes will be brought to the school office. Names will be recorded and pegs attached to the children’s clothing. They will then be asked to wait in the library.
- If there is no contact from a parent by 3:30pm a call will be made to ascertain the reason why a child has not been picked up.
- If a child is consistently late being collected then a record will be kept and the parent asked to see the Head teacher or Attendance Officer to discuss the reasons for this.

Illness

- If your child is ill you should let the school know as soon as possible. You can report absence on the school’s dedicated absence line, by the Seesaw app or in person. Please let us know when your child is likely to return to school and ring every day of your child’s absence unless you advise us initially of the length of time they will be absent for.
- The school is guided by Public Health guidelines so there may be occasions when your child must stay away from school in line with these guidelines. If your child is sick or has diarrhoea, they must not return to school until 48 hours after the last bout of vomiting or diarrhoea. This is to ensure the infection does not spread to other children. If your child is sick or has diarrhoea at school we will ring you and ask you to come and collect your child.
- If we feel that your child is not well enough to come to school we reserve the right to ask you to come and collect your child.

Leave of Absence

Young children in particular often suffer from early childhood illnesses (e.g. chickenpox) and to offset absence caused by these unavoidable times off school it is important that all unnecessary absences are avoided.

Schools **cannot** authorise leave of absence for holidays just because they are cheaper in term time. We urge parents to consider very seriously whether any time off school is absolutely necessary.

If parents wish to apply for a leave of absence they should follow this procedure:

- Read the school’s leave of absence policy thoroughly.
- Note the school procedure in relation to authorising absence.
- If there are exceptional or compassionate reasons for applying for a leave of absence then they should complete a leave of absence form & make an appointment to see the Headteacher.
- It is at the Head teacher’s discretion whether a leave of absence is authorised or not. Only where there are strong compassionate reasons or extenuating circumstances is any leave of absence likely to be authorised.
- No leave of absence will be authorised unless an appointment has taken place with the Headteacher.

There are 175 non-school days each year to use for family time, visits, holidays, shopping, household jobs and other appointments

Leave of Absence Request Form

Schools have a responsibility to ensure children's attendance is as high as possible. All Daventry schools have reviewed their attendance policies so there is common practice.

From 1st September 2013 the new law gives **NO** entitlement to parents to take their child on holiday during term time and this could lead to a fixed penalty notice. **As of 22nd April 2016 a child absent for 5 consecutive days unauthorised may incur a Fixed Penalty Notice.** There is a requirement that schools notify the Education Inclusion & Partnership Team (EIP) of all unauthorised absences that meet the criteria for Fixed Penalty Notices. The initial Fixed Penalty Notice of £60 is issued to each parent for each child (two parent family, two children = £240) if paid within 21 days. Non-payment will mean that the Penalty Notice will rise to £120 after 21 days but within 28 days of receipt. If the penalty has not been paid within 28 days of issue the Local authority may instigate legal proceedings under section 444 (1) of the Education Act 1996. If found guilty of an offence under this Act, parents/carers will receive a Criminal record and could be fined up to £1000.

If parents wish to apply for a leave of absence please follow the following procedure:

- Read the school's leave of absence policy thoroughly.
- Note the school procedure in relation to authorising absence.
- If there are exceptional or compassionate reasons for applying for a leave of absence then complete a leave of absence form & make an appointment to see the Head teacher or Attendance Officer (Philippa Barnes).
- It is at the Head teacher's discretion whether a leave of absence is authorised or not. Only where there are strong compassionate reasons or extenuating circumstances is any leave of absence likely to be authorised.
- No leave of absence will be authorised unless an appointment has taken place with the Head teacher.
