No Smoking/Vaping

Just a reminder that the entire school site is a non-smoking or vaping site. Please make sure you do not smoke or vape until you have left the site.

Activity Trail Update

Sadly due to the wet weather last week the team are behind in completing our new activity trail. They will continue to be on site this week so please take extra care when on the playground and ensure your child is supervised at all times.

Reminder-School Photographs

We have school photographs booked in for this Wednesday 1st November. If you would like a sibling photograph they will be on site from 8:15am to offer this in the school hall. (Please come to the main office.) If your child has PE on a Wednesday and you would like their school photograph to be in school uniform, please feel free to send them in school uniform with their PE kit in a separate bag.

We Love Reading at FHIS!

We are looking for volunteers to come in a read or share stories and books with our children. These times can be flexible and can suit around days and times that as a volunteer you are free. Teachers can provide support or training for reading with children. If you would like to volunteer, please contact our school office or your child's class teacher.

Reminder-Junk Modelling

This term FHIS will be covering their Design Technology unit of learning and will be using recycled materials to create models. Please can you save any cardboard boxes, cereal boxes, toilet roll tubes, egg boxes, containers, etc.

Thank you!
