A reminder we have set a Road Safety Home Learning challenge which went out last week, please try and join in if you can.

If anyone is able to support our wonderful Friends of FHIS PTA with planning and preparation for the Summer Fayre then please do let your child's class teacher know. We need lots of helpers to make this special event run smoothly.

Wishing you a wonderful week.

Road Safety Day 2024

This week we will mark Road Safety Day by teaching the children all about road safety and how to keep themselves safe around the roads.

Our local Police will be coming into school and we will all be taking a safe walk around the local community to put what we have learned into practice.

This links with our value of 'safety'.
