

FHS Summer term 1- *Science*

Please see below the Summer term 1 Science Knowledge Organiser for Humans- The body

This is the key knowledge and information that they children will need to know about during this term's Learning Adventure.

FHS Knowledge Organiser	Year 1	Humans- The body														
Key Vocabulary		Important Facts														
<p>body- the main part of a person or animal</p> <p>eyes- Organs that let light messages get to our brain</p> <p>ears- part of the body that sends sounds to our brain</p> <p>nose- A part of the head that allows us to smell</p> <p>tongue- the fleshy parts of the mouth used for talking, swallowing and tasting.</p>	<ul style="list-style-type: none"> Our senses help us to observe and understand the world around us. There are five senses : <table border="1"> <thead> <tr> <th colspan="5">Our five senses</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>We smell using our nose.</td> <td>We taste using our tongue.</td> <td>We touch using the skin on parts of our body, like our hands.</td> <td>We see using our eyes.</td> <td>We hear using our ears.</td> </tr> </tbody> </table>	Our five senses										We smell using our nose .	We taste using our tongue .	We touch using the skin on parts of our body, like our hands.	We see using our eyes .	We hear using our ears .
Our five senses																
																
We smell using our nose .	We taste using our tongue .	We touch using the skin on parts of our body, like our hands.	We see using our eyes .	We hear using our ears .												

Key Skills and resources

Hair - this grows on our head and helps to protect our skull. The skull is the bone that protects our brain.

Eyebrows - these protect our eyes.

Eyes - these help us to see.

Ears - these help us to hear.

Nose - this helps us to smell.

Mouth - this allows us to eat and talk. Inside our mouth is a tongue which helps us taste and teeth, we use to chew our food.

Neck - this connects the head to the rest of the body.

Shoulders - these allow our arms to lift up.

Elbows - these let our arms bend.

Hands - these help us grab things and write.

Stomach - this part of our body is where we digest our food.

Feet - these help us stay balanced and upright.

Knees - these let us bend our legs.

Science Fizzy Quiz

<p>Name three parts of the body</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Match the object to the adjective</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  </div> <div>smooth</div> </div> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  </div> <div>rough</div> </div>	<p>Name two out of the four tastes</p> <p>_____</p> <p>_____</p>
<p>Name the five senses</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Label- lungs</p> 	<p>Label – elbow and knees</p>
