

Summer term: Year 2

English

Narrative:

Writing a story based on the text "Little Red Reading Hood" by Lucy Rowland.

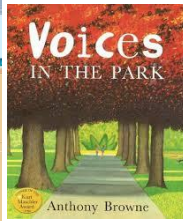

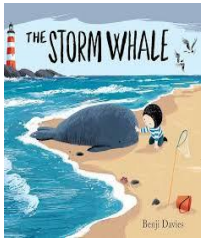

We will be learning to write complex sentences and repetition.

Letter writing:

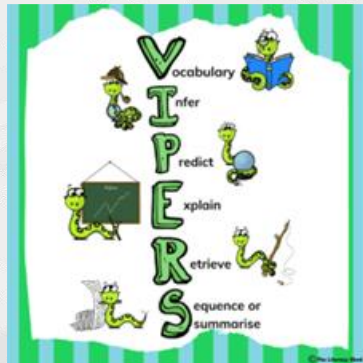

Writing a feeling poem based on: "In my heart" by Jo Witek.

We will be writing complex sentences using when and using feeling vocabulary.

We are reading...

VIPERS:

Maths

Fractions, Time and Problem Solving with efficient methods

This term in Year 2 we will be learning about fractions of shapes and amounts. We will be telling the time using quarter past/quarter to, also in five-minute intervals. We are going to be exploring efficient ways of solving problems using a variety of operations.

Phonics

We continue to do our daily phonics for children in Year 2.

Children who are not using phonics practice spelling and vocab ninja.

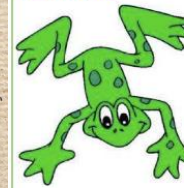

Children will receive and bring home their phonics reader, bookbag book and pleasure for reading book from the library.

Science

Humans

This term in science we will be learning that humans need their basic needs met. We will be learning about the importance of hygiene including oral hygiene. We will be investigating the effect that exercise has on the body.

Fred talk to read

Geography

In Geography this term we will be learning about the seven continents of the world. We will also be learning about the five oceans of the world. We will be exploring the climates of different continents and learning about the effect the equator has on our earth.

Art

This term we are learning about Claude Monet, a French artist who was known as an Impressionist. We will be introduced to his paintings and learn about his life. We will develop our own painting skills by exploring how to create different tints and applying colour in different ways. For our final piece we will learn how to create a colour wash and add detail to this in the style of Monet.

Computing

We are learning about programming animations. We will use Scratch Junior. We will learn that sequences of commands have an outcome and we will make predictions based on this. We will use and modify designs to create our own quiz questions. We will make these designs in Scratch Juniors using blocks of codes.

PSHE

In PSHE this term we are learning to recognise and describe our feelings. We are also going to be recognising what we are good at and setting goals for ourselves. We are going to be focusing on safety and we will be looking at how to keep safe both online and outside.

Spelling

Please continue to practise these words
