Welcome from S4A...

We are delighted to be working in partnership with your child's school to provide nurturing and supportive wraparound care.

At S4A, we're committed to creating a warm, welcoming environment where children feel safe, valued, and inspired. Through engaging activities, positive relationships, and consistent routines, we aim to support each child's development and happiness during their time with us.

We can't wait to welcome you and your children to our setting.

Best regards,
S4A

S4A HOLIDAY CLUBS

AT MARIE WELLER

S4A provide leading childcare provision for 4-13 year olds (Reception- Year 8).

Our settings are friendly and safe, with a massive emphasis on having lots of fun and creating life-long memories.

Our holiday clubs in Towcester are brimming with FUN activities, including sports, creativity and adventure. So, whatever your child is interested in – we're sure they're going to LOVE it!

We run our provision every Half Term at Marie Weller!

Your child will be able to join us from this Summer 2026!

Rewriting the definition of inclusion in sport and childcare.

ENTIRE GROUP

Every child has a little spark that makes them unique. We love to make sure that this is the feature that helps them shine!

Entire is S4A Group's not for profit partner organisation. We have a clear vision to support every child during their journey through school into adulthood.

It is our mission to provide affordable, fully inclusive childcare provision across four counties by 2027. Furthermore, we are dedicated to creating a SEND offer that is accessible and affordable for all.

It is our long term vision, that the cost and quality of provision in the sports and childcare sector for a family with a child who has an additional need or disability will be the same as mainstream regardless of the staffing ratio and other adaptations required.

GREEN PLANET
FOREST SCHOOL
An S4A Group Company

FOREST SCHOOL

Discover the wonders of nature through the eyes of children.

At Green Planet Forest School we believe in providing children with an immersive outdoor learning experience that fosters enrichment, emotional development, and a deep appreciation of nature.

Our Forest School program is designed to instill a lifelong love of the natural world, while also giving them confidence to assess, manage and take calculated risks, which results in greater confidence to try new things. And as we know, confident children grow into confident adults.

Everything we do is deeply rooted in the Forest School ethos, with heavy emphasis on the holistic development of children and young people. Our experienced instructors provide a safe, supportive environment where children can learn and grow at their own pace.

Our provision includes both in school and holiday camps, where we offer a range of activities designed to engage and inspire young minds, from **nature walks** and **plant identification** to **shelter building**, **use of tools**, **fire skills** and **campfire cooking**.
